

Product/Service Information

CUSTOM CRATING & PACKAGING - Domestic or International Shipments - Air, Ocean or Ground Freight: Customized crating to meet the toughest shipping environments. Tradeshow & specialty design & fabrication. Moisture Vapor Protection, VCI and Flotation Base cases will assure damage free arrival at the final destination. Certified to meet ISPM-15 Wood Restrictions for international shipments.

OVERSIZED / OUT OF GAUGE CARGO - With a crew experienced in handling oversized cargo, we have no problem handling even the largest and most awkward cargo. With multi acre yards, we can afford the room necessary to maneuver your oversized cargo with ease, aided by our 30,000 & 36,000 lb capacity forklifts and our trusted partners at the local crane & rigging companies.

CONTAINER LOADING - Loading, Blocking, Bracing and Securing your equipment to maximize cubic volumes assuring safe arrival overseas.

CROSS DOCKING - Container unloading; value added services such as segregation, pricing, kitting, and labeling; and loading on to trucks for delivery to inland destinations.

STORAGE - Warehouses in Norfolk and Fort Lauderdale with monitored burglar and fire alarm system and several acres of paved, fenced, lighted yard available for storage. Climate controlled areas also available to accommodate even the most sophisticated electronic equipment.

TRANSPORTATION & LOGISTICS - Small loads across town or large loads across the country. Our team of Logistical professionals will not only meet your needs but all the needs of your customer.

SITE RELOCATION SERVICES - Our Site and Fabrication Relocation Services will get your equipment prepped, crated, moved, shipped or stored as per your requirements.

EQUIPMENT & TOOL REMOVAL & RIGGING - Professional disconnects of all Electrical and Mechanical Equipment. Rigging to trucks for shipment or to skids for crating.

HAZMAT SERVICES - Hazardous materials consultation based on US DOT 49CFR and/or IMDG regulations and/or export packaging/containerization of hazardous materials.
